Dear General:

25X1A9a

We have been unable to find any report from [REDACTED] about his capture by the Chinese Communists. It is possible that when he was separated from the service his files were transferred to the Department of the Army.

25X1A9a

If it is still important for [REDACTED] to find this, we suggest that he might get in touch with General Wedemeyer, who took special interest in the OSS people captured by the Chinese Communists and may have some recollection of the case.

If there are further leads he can give us, I will be glad to try again.

Sincerely,

/s/
